

School SBIRT Implementation Project Application- DEADLINE SEPTEMBER 24, 2021!

Schools can apply to be part of a School SBIRT Implementation Project Cohort 2021-2022. Each school that participates is eligible for a \$2,000 stipend upon meeting project requirements. A maximum of \$4,000 per district.

Please complete the following application with your team. Applications are due no later than 4 PM on Friday, September 24, 2021. Schools will be notified by early October.

Questions can be directed to:

- Tracy Herlitzke, WISH Center Director, therlitzke@cesa4.org
- Alie Hubing, WISH Center Project Coordinator, ahubing@cesa4.org

* Required

1. Email *

2. By checking the box, you are committing to the project requirements: *

Check all that apply.

- Identify a District Administrator/School Leader to engage in decision making and problem solving for project implementation.
- Identify an existing team or create a SBIRT Implementation Team. The team will be comprised of participating Practitioners, designated Leader/Administrator, and Team Lead.
- Selected staff Practitioners must complete pre-training assignment, 2 days of training, practice sample for fidelity review, and regular self-assessments of practice.
- Selected staff Practitioners deliver SBIRT to 1-2 new students per month and track data.
- Participate in 3-5 follow-up technical assistance sessions.
- Each team will receive a Google Dashboard to enter their data on a monthly basis for implementation feedback.
- Team Lead submits a final SBIRT data tracking sheet to WISH Center Director at the end of the year for project evaluation and reporting.

School Information

3. Name of School Contact Person: *

4. Email Address: *

5. District Name: *

6. School Name: *

Need

Answers should be no longer than 2 pages single spaced, 11 pt font.

7. Why is addressing student behavioral health important? When possible, report data to the extent of the problem. Estimate the number of students with alcohol/drug violations, mental health concerns, conduct/behavioral problems. *

Fit

Answers should be no longer than 1 page single spaced, 11pt font.

8. How does using SBIRT to address student need fit with existing district priorities or initiatives (Equitable Multi-Level System of Support/PBIS, School Mental Health Framework)? *

Capacity

Answers should be no longer than 1 page single spaced, 11pt font.

9. Participating staff will be expected to deliver SBIRT with 1-2 new students per month. The single biggest barrier to implementation is lack of staff time (estimated time is 1-2 hours per week). What is the capacity for your student services to accomplish this level of implementation? *

10. How will staff time be protected to enable SBIRT delivery? *

Resources

11. What currently existing resources could be used to support SBIRT implementation (Title IV Part A, grants, community partners and/or providers)? Please explain. *

12. Identify a designated School Leader/Administrator to engage in decision making and problem solving for project implementation: *

13. Email Address: *

14. Identify a School SBIRT Team Lead to guide the development of the implementation plan, participate in follow-up technical assistance sessions, and coordinate data collection. *

15. Email Address: *

Staff Practitioners must complete pre-training assignment, 2 days of training, practice sample for fidelity review, and regular self-assessment of practice. They agree to deliver SBIRT to 1-2 new students per month and track data.

List Staff Practitioner Name & Role in School Below. Use as many lines as needed.
