

Restorative Practices: Community of Practice on Implementation

Join other educators and leaders in collaborative learning and sharing to support your **school's implementation journey** in Restorative Practices.

Participant Experience:

- Interactive engagement between learners
- Opportunities for networking and peer collaboration
- Ongoing support with resources and implementation strategies.

Topics Include:

- Using the four stages of implementation science as a guide
- Connecting data and district/building needs to continuous improvement
- Building alignment of RP with other initiatives
- Sustainability
