

PREPaRE 1 - Crisis Prevention and Preparedness

Comprehensive School Safety Planning

This 1-day workshop provides school mental health professionals, administrators, security officers, and other educators knowledge and resources important to establishing and sustaining comprehensive, ongoing school safety and crisis prevention, mitigation, and preparedness. Making use of existing personnel, resources, and programs, PREPaRE can be adapted to a school's needs and size. Specific attention is given to developing, exercising and evaluating safety/crisis teams and plans, and integrating school and community crisis response personnel. Also addressed are issues associated with the media, social media, technology, students with special needs, culture, and memorials. Training reinforces improved school climate, student behavior and academic functioning, student resilience, and school staff crisis response capabilities.

TRAINING: A PROFESSIONAL LEARNING EXPERIENCE

PREPaRE 1 (one-day) Focuses on Crisis Planning

- Provides a broad overview of the school safety and crisis team's roles and responsibilities, with a special emphasis on crisis prevention and preparedness.
- Demonstrates an overall checklist of needs for environmental and psychological safety
- Target audience: any school professional or community provider/agency who serves on a crisis team and/or is involved in establishing or promoting school safety.

PREPaRE 1 reinforces improved school climate, student behavior and academic functioning, student resilience, and school staff crisis response capabilities.

SUPPORT & NEXT STEPS

- COACHING SUPPORT - Individual or Team Coaching with a WISH Trainer for post event debriefing or safety tabletop exercises
- ADDITIONAL RESOURCES FOR REVIEW
 - Wisconsin DOJ Office of School Safety Resources: School Threat Assessment Protocol, Comprehensive School Security Framework
 - Readiness and Emergency Management for Schools (REMS) Developing Emergency Operations Plans

Schools play a critical role in meeting the needs of students, staff, families and often the local community during times of crisis. PREPaRE is the only comprehensive curriculum developed by school-based professionals with firsthand experience and formal training. The curriculum builds on existing personnel, resources and programs; provides for sustainability; and can be adapted to individual school needs and size. The PREPaRE curriculum has been developed by the National Association of School Psychologists (NASP).
