Holiday Inn Milwaukee Riverfront

4700 N. Port Washington Road, Milwaukee, WI 53212

AM LARGE GROUP TRAINING SESSION “Developing Emergency Operations Plans K-12 Training”

In collaboration with their local government and community partners, schools can take steps to plan for potential emergencies through the creation of a high-quality school EOP. This training provides an overview of a recommended six-step planning process to create a high-quality school EOP. It is applicable for audiences interested in creating, revising, or enhancing school EOPs.

BREAKOUT SESSION

“Avoid Deny Defend,”

*Jason Weber, Community Liaison Officer,
Town of Menasha Police Department*

Since 2001 there have been over 160 active shooter events in the United States. In Wisconsin we have seen events in Oak Creek, Crandon, Brookfield and most recently Menasha.

This session will take a look at these events along with our psychological response and provide options for a physical response to an active shooter and crisis situation.

BREAKOUT SESSION

“Safety with Social Media,”

*Deputy Pete Ehlert, Winnebago
County Sheriff's Office*

The session will focus on why our children are at risk when using social media and the Internet. Deputy Ehlert will show how easy it is for a predator to target our kids and the methods they use. Sexting laws, why our children engage in this behavior, and popular apps will be covered.

BREAKOUT SESSION

“Emergency Planning for Sporting Events,”

*Ryan Anderson and Richard Fechter,
School District of Menomonee Falls*

Have you ever wondered what your evening staff should do in case of an emergency? What would your crowd do if there was a fire? What would your custodial staff do if there was a water main break? The team from Menomonee Falls will share what they learned in planning for these situations.

WHO SHOULD ATTEND?

Superintendents, Principals, School Safety Coordinators, Facility Managers, Counselors, School Psychologists, Social Workers, Teachers, Law Enforcement, others who serve on planning teams responsible for developing and revising school emergency operations plan (EOP)
