

## Youth Mental Health First Aid Training of Trainers

### What is Youth Mental Health First Aid?

Youth Mental Health First Aid is an 8-hour evidence-based training course designed to give members of the public key skills to identify and respond to signs of mental health concerns in youth, ages 12-18.

### Role of Instructor

The primary role of instructors is to teach the Mental Health First Aid course. When they offer the course, instructors must teach the full 8-hour course with fidelity to the core program model and key messages. Each instructor has a set of materials to help guide them through course facilitation.
